It is with great pleasure and honor I recognize Major Lunning for her outstanding efforts in saving and evacuating civilians and military members from Afghanistan. Her service to this country shows the courage, bravery, and sacrifice it takes to enter the unknown with great risk to her own life to save civilians and military members in dangerous environments. HONORING THE SERVICE AND
DEDICATION OF THE PROFESSIONAL
STAFF OF THE SELECT
COMMITTEE ON THE CLIMATE
CRISIS

HON. KATHY CASTOR

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 15, 2022

Ms. CASTOR of Florida. Madam Speaker, today I rise to recognize the service and dedication of the majority professional staff of the Select Committee of the Climate Crisis. As any Member of Congress knows, the unsung heroes are those working behind the scenes. With little fanfare and recognition, the long hours and personal sacrifices our staff makes are indispensable to the success of a Member or committee.

For the last 4 years, I have had the distinct pleasure to serve as Chair for this Select Committee. During this time, I have been fortunate to have worked with so many talented individuals.

Our professional staff comes from all backgrounds, spanning the gamut of personal and professional experiences. This staff banded together as a team, and their record of success speaks for itself.

From Day 1, this team took to heart the words of Speaker NANCY PELOSI, that this Select Committee was not just an academic exercise but intended to deliver a roadmap of real policy achievements to tackle the challenge of a generation. Behind the scenes, the Select Committee staff built bridges to work closely with the incredible staffs of all the standing committees in the Congress, they reached across the spectrum of outside groups and advisors to foster new partnerships and forge compromise, while keeping our goals at the forefront of policy. In many ways the team served as a climate think tank for House Democrats, identifying “Climate Wins” and expanding the understanding of the climate crisis in all areas of policy and legislation.

As a result of their tireless work, the majority staff released a groundbreaking 2020 Climate Crisis Action Plan that has been called the most comprehensive climate policy plan ever in U.S. politics, which included a suite of 715 policy recommendations. And just this month, at the end of our tenure, the staff released a new report, Solving the Climate Crisis 2022: Key Accomplishments and Additional Opportunities. This 2nd report outlines the enormous record of success and progress, noting the more than 300 recommendations from 2020 that are now codified into federal law, the 430 plus that have passed the House under Speaker PELOSI’s leadership, and outlining the necessary steps forward in future years for the Congress to continue to tackle the climate crisis.

The staff always had as its compass that solving the climate crisis must be guided by science, rooted in justice, and powered by American workers. Undoubtedly their work will help make communities more resilient to the impacts of the climate crisis, create good-paying local jobs, slash energy bills, uplift disadvantaged communities, and position America to lead the emerging clean economy.

I would like to take a moment to specifically recognize our majority staff director, Dr. Ana

Unruh Cohen. Over the better part of the last 20 years, Ana has dedicated her work in the Congress to tackling the climate crisis, both in the House and Senate. Her deep knowledge of policy, collaborative spirit, and sharp political awareness was critical to the Select Committee’s effectiveness and success. Her tireless leadership is an inspiration for us all.

I would also like to recognize all our staffers, past and present, during the 116th and 117th Congresses:

Alison L. Cassidy, Deputy Staff Director.
Eric S. Fins, Deputy Staff Director.
Fatima Maria Ahmad, Senior Counsel.
Loyle Campbell, Rosenthal International Relations Fellow.
Grace Chan, Professional Staff.
Sydney Devitt, Digital Assistant.
Ebadullah Ebadi, Policy Assistant.
Melvin Félix, Communications Director.
Javier Gamboa, Senior Professional Staff.
Dana Gansman, Clerk and Director of Operations.
Jacob Hicks, Digital Director.
Aaron Huertas, Communications Director.
Rebecca Jablonski-Diehl, Senior Professional Staff.
Mackenzie L. Landa, Counsel.
Jakob Lindaas, Ph.D., Professional Staff.
Raleigh L. Martin, Ph.D., AGI/AAAS Congressional Science Fellow.
Samantha A. Medlock, CFM, Senior Counsel.
Mariah A. Morrison, Digital Production Specialist.
Sebastian Pons, Staff Assistant.
Zachary D. Pritchard, Ph.D., ASME Congressional Science & Engineering Fellow.
Abigail Regitsky, Ph.D., Professional Staff.
Rachel St. Louis, Operations and Press Assistant.
In addition, the Select Committee benefited from the support and wisdom of Kenneth Russell DeGraff, Senior Policy Advisor to Speaker PELOSI.
Thank you is not enough. These staffers have heeded the call to service, and for that I, and the American people, are eternally grateful. As this Select Committee comes to a close and the staff turns to their next chapter, I have no doubt they will continue to work every day to make a difference and be successful in whatever they turn to next.

Ms. WILSON of Florida. Madam Speaker, from the 24th District of the great State of Florida, I rise today to honor Marc Narotsky for his stellar service and contributions as Commissioner of the City of Aventura.

Someone once said this about local government, "when you are in local government, you are on the ground, and you are looking into the eyes and hearts of the people you are there to serve. It teaches you to listen; it teaches you to be expansive in the people with whom you talk to; and that engagement gives you political judgment."

It is this same standard of leadership and approach that has distinguished his success at the City of Aventura. With input given from passionate public servants like Commissioner Narotsky, Aventura is certain to have a bright future guided by a grounded approach to local governance, cooperation, and investment in the well-being of this community achieved during his tenure in office as a Commissioner.

CELEBRATING THE LIFE OF BRODERICK RAYFEL CRAWFORD

HON. SHARICE DAVIDS

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 15, 2022

Ms. DAVIDS of Kansas. Madam Speaker, it is with profound sadness that I rise today to mourn the passing of Mr. Broderick Rayfel Crawford, who passed away on November 27, 2022. Mr. Crawford was a consummate servant leader and his dedication to the people of Wyandotte County touched countless lives. He leaves behind a family and community that will miss him greatly.

Mr. Crawford's passion for health and his compassion for others manifested early in his childhood, when he would care for his mother after surgeries, act as medic for his six siblings, and become the problem-solver for the community children his mother helped. He graduated from the University of Kansas in 1985 and began to pursue a career as an infectious disease specialist, first as a clinic supervisor at the University of Kansas Medical Center and later at Saint Luke's Health System.

His medical work inspired a lifelong commitment to improving health equity in his community of Wyandotte County. From community health to food and nutrition to housing and transportation, Mr. Crawford was a tireless advocate, activist, and organizer. He served on over 25 task forces in the Kansas City area, using his voice to unwaveringly demand better for his community.

Mr. Crawford was deeply involved with the New Bethel Church, where he was a Deacon and beloved member of the congregation. He worked with members of the church to create programs that would address community health and health inequities in Kansas City, Kansas, including pushing for pastors to take the lead in congregation health. He also served as Community Health Director, then Executive Director, and ultimately President of the New Bethel Church Community Development Corporation. In this role, he acquired funding for numerous health initiatives in the Douglas-Sumner neighborhood and the greater Kansas City area.

Mr. Crawford also recognized the disparate impact of COVID-19 on minority communities. He co-founded the Wyandotte County Health Equity Task Force to respond to the pandemic public health crisis, and he was an early advocate for equitable COVID testing and vaccine access.

Madam Speaker, please join me in honoring the well-lived life of Mr. Broderick Crawford. Mr. Crawford saw people in his community who needed help and chose to dedicate his life to service. Though his absence will be keenly felt, his memory lives on in his legacy: the programs he started, the lives he saved, the volunteers he inspired, and the countless people whose lives he touched.
